

Dear CYB Coaches:

Now that we have scaled back our evaluation day process to include only new players, your coach's evaluation is crucial to the program. Please consider these end of season evaluations conscientiously and carefully, as they will now be the only guideline for next year's coaches.

Instructions are as follows:

Rate your players 1-5 for the categories below. [5-excellent, 4-very good, 3-good, 2-below average 1-poor]. If necessary, feel free to use 1/2 points, ex- 2.5, 3.5. Please note 5 is the highest score; no 5.5 is available

Rate your players in the following five categories:

- SHOT* Shooting, shot selection
- DRIBBLE* Dribbling, handling pressure
- PASS* Passing
- DEFENSE* Defending, aggressiveness
- REBOUND* Rebounding
- OVERALL* Overall rating (do not total prior categories for this number)

Use the comments section to note any observations not covered in previous sections.
